Maan-soor Dive Club

The Maan-soor dive club is located at the Maansoor Hotel, Berbera, and it is a PADI 5-star resort at the gate way to the reefs and seas of the Gulf of Aden. The waters boast a unique marine habitat where the Red Sea, Gulf of Aden and Indian Ocean come together. Dolphin, turtles and rays are regularly seen off the house reef, and at certain times of the year we specialize in encounters with whalesharks.

We can offer daily, weekend and weekly dive packages, with a mix of shore diving and travel to the outer reefs in our dive rib. We have a full range of equipment for hire, and air to 220 bars. We can also offer PADI training from open water to instructor, plus "try dives" on the house reef and adjacent shallow sandy bay.

The seas around Berbera offer diving superior to that of the established Red Sea sites, and without the crowds. The diving can be tailored to individual needs, and for weekly packages we offer unlimited dives and air to qualified divers.
